Your visit will consist of two separate bills which are sent to your insurance carrier. One will be for Village Emergency facility cost and the other will be for the Village Emergency room physician that treated you. The insurance company will process your claim and send you an EOB (Explanation of Benefits) - this is not a bill. This EOB will likely show a large amount that will still need to be negotiated. Please disregard this amount. Once the negotiations have been completed by Village Emergency Centers and your insurance carrier, that amount will be applied to your emergency room in-network benefits. Any remaining responsibility for Copay, Deductible and or Coinsurance will be sent to you a bill from Village Emergency Centers. Fees: Village Emergency Centers has a range of Facility Fees based upon the level of service required to properly care for your condition. These facility fees will range from \$500 - \$4,000. Level 1 - \$900, Level 2 - \$2100, Level 3 - \$3,750, Level 4 - \$4,437, Level 5 - \$5,500 with a Median Facility Fee of \$5,100. If your condition requires admission for further observation and treatment, Village Emergency Center will charge your insurance carrier an Observation Fee of \$1,750 Per/Hour.
